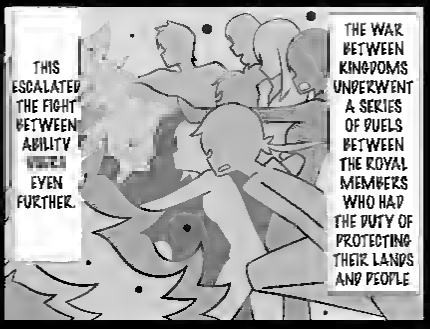
MY FAMILY MEMBERS SAW DEFEAT ONE BY ONE AS THE WAR RAGED ON.
SAKURADA FAMILY
THOUGH THE MEMBERS OF THE SAKURADA FAMILY UNITED IN THE NAME OF OUR LATE FATHER,

OUR FATHER WAS SLAIN IN THE MIDST OF THEIR COWARDLY SURPRISE ATTACK, MARKING THE START OF THE WAR BETWEEN THE ROYAL FAMILIES OF BOTH COUNTRIES
WHEN THE DAY TO SELECT THE SUCCESSOR OF THE THRONE WAS UPON US OUR COUNTRY WAS ATTACKED BY THE "X" COUNTRY

With my current strength now, I won't be able to defeat them...!
Teru-mii-san...
IN THE END ONLY MY PRECIOUS LITTLE SISTER AND I SURVIVED.



THIS ESCALATED THE FIGHT BETWEEN ABILITY USERS EVEN FURTHER.
THE WAR BETWEEN KINGDOMS UNDERWENT A SERIES OF DUELS BETWEEN THE ROYAL MEMBERS WHO HAD THE DUTY OF PROTECTING THEIR LANDS AND PEOPLE

And so, ten years had passed.

He did ...!?
I've been waiting for those very words.
Shu-kun entrusted me with a message.

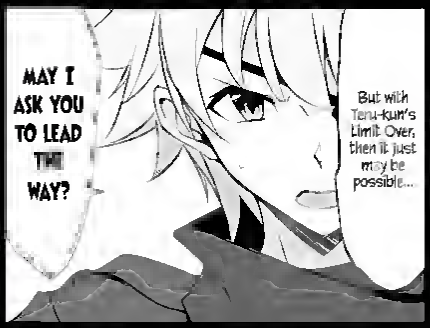
Teru-kun, your opponent sent you an ultimatum.
...Shiori, Hamasin.

Hidden deep beneath the Sakurada castle lies an ancient facility...
Preserved there is the wisdom of royalty of past,
"Dandelion."

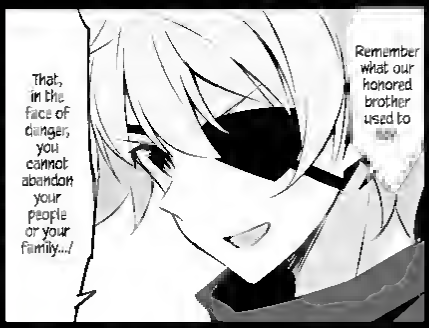
"Hand over Sakurada Shiori to us, and we will disperse from these lands."
.....!

He wanted to entrust it to you, in the event that you resolved yourself to fight.
However... its insurmountable power is too much to handle for just any royal family descendant...

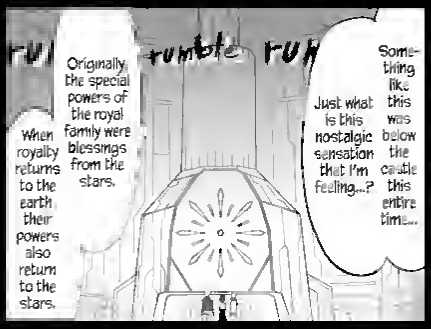
Nii-san... If that's what it takes to save our country, then I'll gladly—
No Shiori, we can't.
We belong to the royal family.



But with Teru-kun's Limit Over, then it just may be possible...
MAY I ASK YOU TO LEAD THE WAY?



Remember what our honored brother used to say.
That, in the face of danger, you cannot abandon your people or your family.../



rumble rumble rum
When royalty returns to the earth their powers also return to the stars.
Originally, the special powers of the royal family were blessings from the stars.
Just what is this nostalgic sensation that I'm feeling...?
Something like this was below the castle this entire time...

There's no telling what will happen.
Nii-san, I want to go, too...

Nii-san, it seems kind of scary...
It's fine, don't worry.
This device serves as a medium to the stars, making it possible to acquire all the powers of past generations of royalty.

SQUEEZE
It'd be better for you to wait here, Shiori...

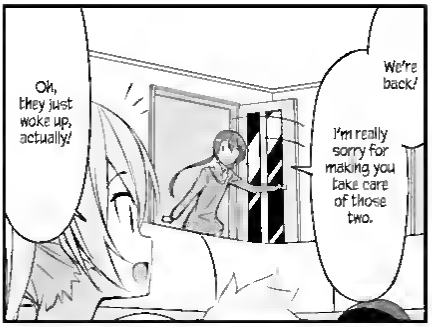
Honored brother... Give me strength...
Go on, place your hand there and focus your mind...

Jeez...

...HAH!!!
BLOOO

!?
Oh, what a shame, Teru-kun. It looks like you failed.
So this is its true form...!
Wonderful... Dandelion was always a singular entity from the start...
HANA SAN!? WHAT EXACTLY ARE YOU SAYING!?
Just as I thought, as you are now, you won't be able to fully embrace Dandelion
And thus, the plan, too, is frozen.
Nii-san...! You're shining so much...!
I can feel everyone's feelings flowing into me... With this, I can fight back without a doubt...!
FSSH
What are you talking about?
Was this all your doing, Hana-san-
PULL
...I WILL NOW PROCEED TO FULFILL THE DUTY OF THE KING...!
SH-SHIORI...!!
Ah!
Ah.
Ah!
Ah!
Ah...!
!?
BO
NG

If you wish to adhere to the fate of your blood and govern the world,
You had better do all you can.
But that's not to say you lack potential.
I suppose that just makes you a conflict-loving "visitor" in the end...
Despite being in control of it now, you still say it's a failure!?
What did you mean by failure!?
!!
BO
OF
I look forward to what'll happen in ten years.
To control your power also means to control your heart.
Power is the strength of your heart.
Let's meet again.
Just now...
This is what crossed your mind...
THERE'S JUST NO WAY!!!!
.....!!
"I am cool." Is that right?



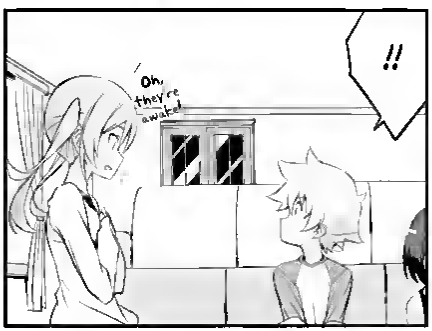
We're back!
I'm really sorry for making you take care of those two.
Oh, they just woke up, actually!

OPEN

Honored sister...! Thank goodness you are safe...!!
??
You see, Hana-san has something she wants to tell you two
?

.....

She already told us since the two of you were fast asleep, so –
Oh, is that so ..!?

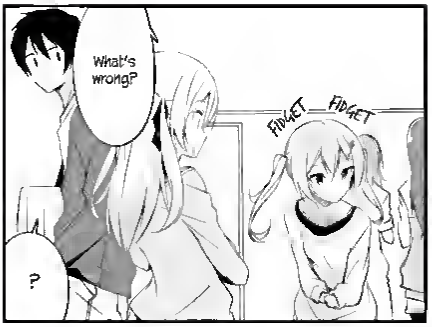


!!
Oh, they're awake

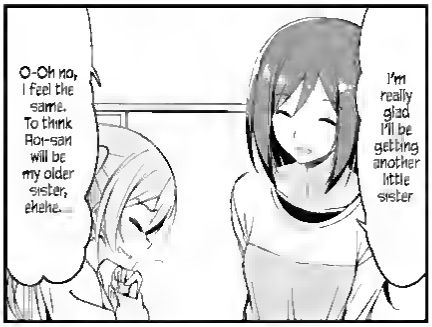
SO, MY HONORED SISTER! WHAT MATTER DO YOU WISH TO DISCUSS WITH US!?
SISTER ...!?

ALL BECAUSE I WAS SO WEAK...!!
EH!? EH!?

Thanks, though we're actually getting married after we finish college
Honored brother, congratulations on your engagement
Um... The truth is...
Ahem
I will take that to heart!
What this means, Teru, is that you'll be getting another older sister, so don't treat her like a stranger.
I hope we can get along, Teru-kun, Shion-chan
Y-YES!?
Teru-kun, Shion-chan
STARE
!!?
I have come today to inform you two of my engagement
PL-PLEASE BE GENTLE!
STARE
SCRU-TINI-ZING
Ah?
YOU MEAN WITH ME...!?



What's wrong?
FIDGET FIDGET
?

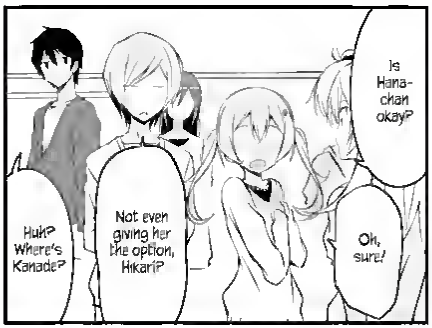


I'm really glad I'll be getting another little sister
O-Oh no, I feel the same. To think Rei-san will be my older sister, ehehe...

Oh, you'll find the bathroom to the right in the hallway
That's the husband for you!
O-Oh... You're right... but...

Do you prefer going by "Hana-nee" or "Hana-chan"?
Oh, um...

..Hana, this place is already your home.



Is Hana-chan okay?
Oh, sure!
Not even giving her the option, Hikari?
Huh? Where's Kanade?

SO DON'T BE MODEST. IF YOU HAVE TO LET OUT A BIG ONE, THEN YOU HAVE TO LET OUT A BIG ONE.
WHACK
JEEZ!

She said she had a report to do in her room
Ran away, huh?

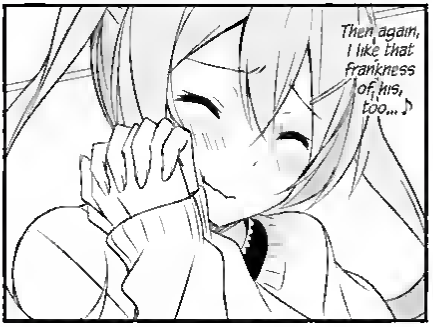
H-Hello.
E-Excuse me for intruding, Kanade-san.!

Jeez, Shu-kun.
It'd be nice if he could be a little more delicate about things like that...

I apologize for not giving you a more proper welcome...
My hands... were just full at the moment... so...
OH NO, DON'T MIND ME AT ALL!

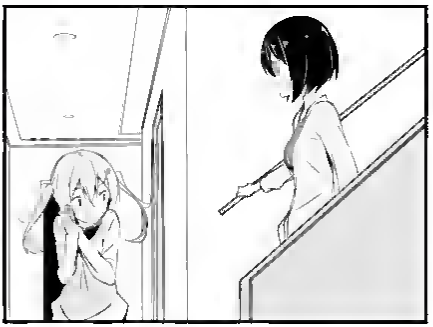
If it's just the two of us, then I don't really mind what he says, though!

... Um,
Satou Hana-san...
Y-Yes?
Regarding my onii-sama... Or rather, the two of you...

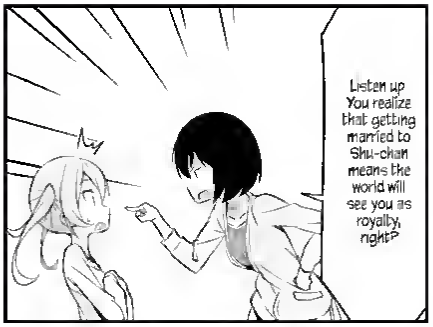


Then again, I like that frankness of his, too...♪

MMM!?
SCRATCH SCRATCH
UGHHH, FORGET IT. WHAT A PAIN!



OH, I-I'M SORRY!
You'll tarnish our dignity as the royal family
Also, may I ask you to refrain from being so clingy with him on cam-pus!?



Listen up You realize that getting married to Shu-chan means the world will see you as royalty, right?

Could it be...
It's not like I'm criticizing you or anything
It's just not very chaste or something...

That scared me... So this is what Kanade-san's like when she's at home...
I doubt you'd understand considering the normal life you've had all this time, but just a stroll around the town is enough to—

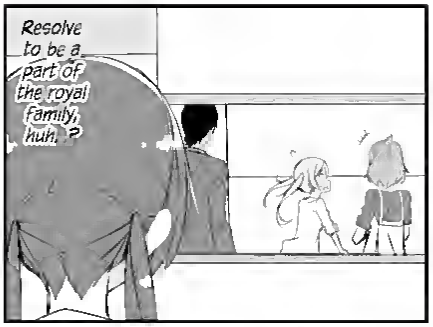
She thinks I took her brother away from her...?
O-Oh, I know What if you stayed together with us?

Oh, but with the way she's acting, maybe she accepts me as a part of the family...?

That's obviously out of the question...

Why on earth is this girl smiling...?

Hana?
KERCHAK
..Thanks, but I think I'll be okay for sure
I wouldn't even blame you if you did
Feel free to call it quits if you ever find it too hard to stay in the royal family.
MUFUFU JUST A LITTLE
Did something good happen?
As long Shu-kun's with me, I'll definitely be okay
.....Ohh
Mm
Shu-kun
He really is
He's the worst
LET OUT A BIG ONE, HUH?
NO!
...!
O-OKAY!
..LET S TALK SOME MORE IN THE AFTERNOON



Resolve to be a part of the royal family, huh...?

Hey mom, were you anxious when you had to get married to Dad?
Of course, I was getting married to *the* King, after all

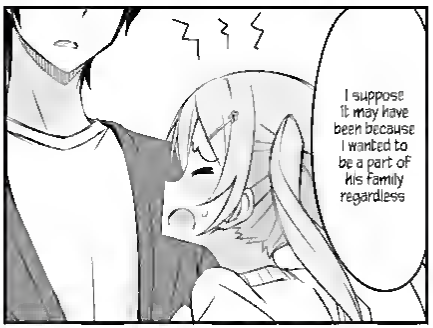
Akane.
Ugh.

There were even people who had doubts about whether a girl from the city streets had the resolve to become royalty, too.
Then why did you...?

D-Dad...?

Also,
Well... I felt if I was together with him, then I'd be okay

WHAT ARE YOU EVEN TALKING ABOUT!?
STAY HERE FOR ANOTHER TWENTY YEARS.



I suppose it may have been because I wanted to be a part of his family regardless
